Life, so they say, is but a game and then let it slip away
Love, like the orange sun should be dying but it's only just begun
Like the twilight in the road ahead
They don't see just where we're going
All the secrets in the universe whisper in our ears
All the years that come and go pick us up, always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
Dreams, so they say, are for the fools and then let them drift away
Peace like the silent dove should be flyin' but it's only just begun . . .

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day 'til
eternity passes away
Just to spend them with you.

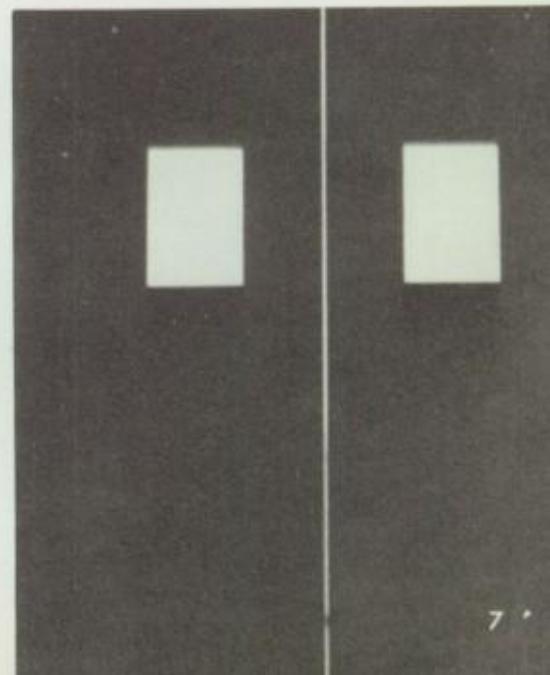

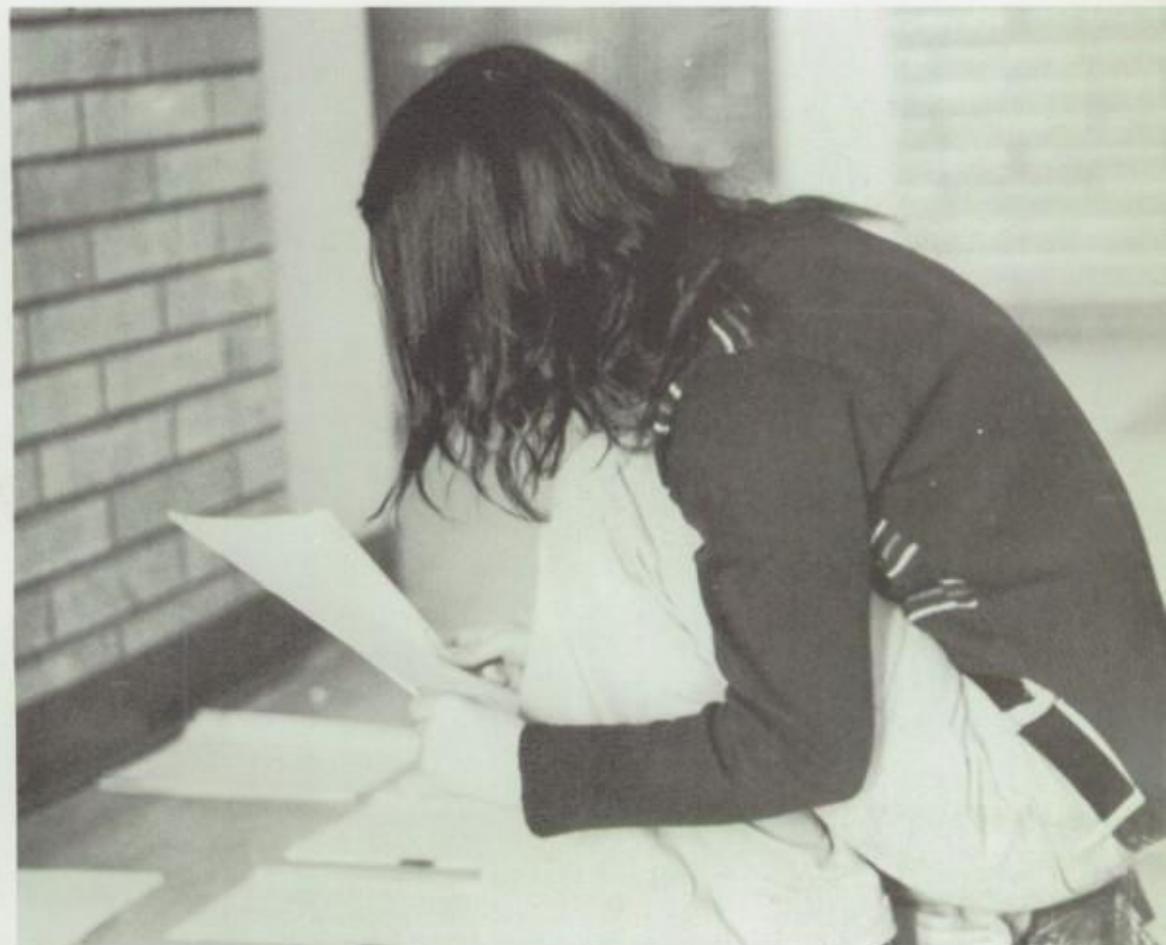

If I could make days last forever,
If words could make wishes come true
I'd save every day like a treasure
and then
Again I would spend them with you.

*But there never seems to be
enough time
To do the things you want to do
once you find them;
I've looked around enough to know
You're the one I want to go through
time with.*

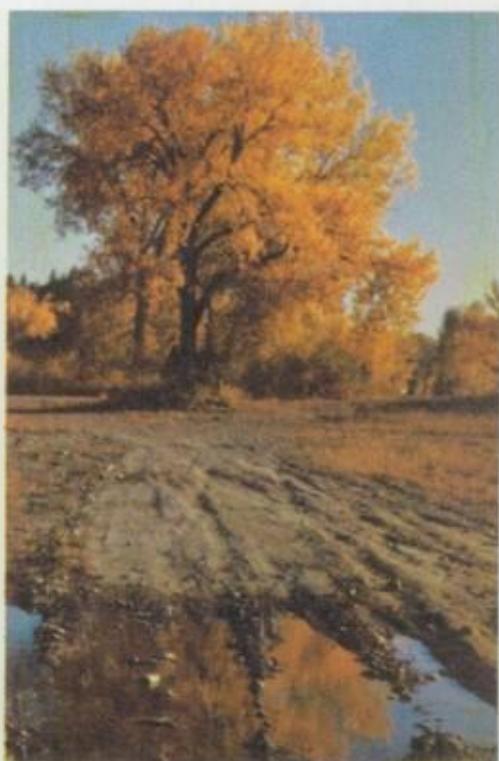

*If I had a box just for wishes
And dreams that had never come true,
The box would be empty except
for the memory
Of how they were answered by you.*

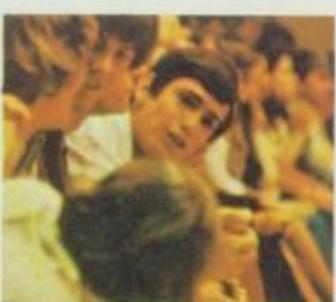

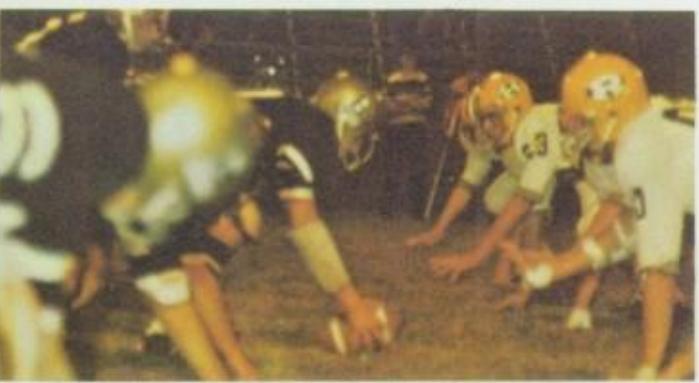

Jim Croce

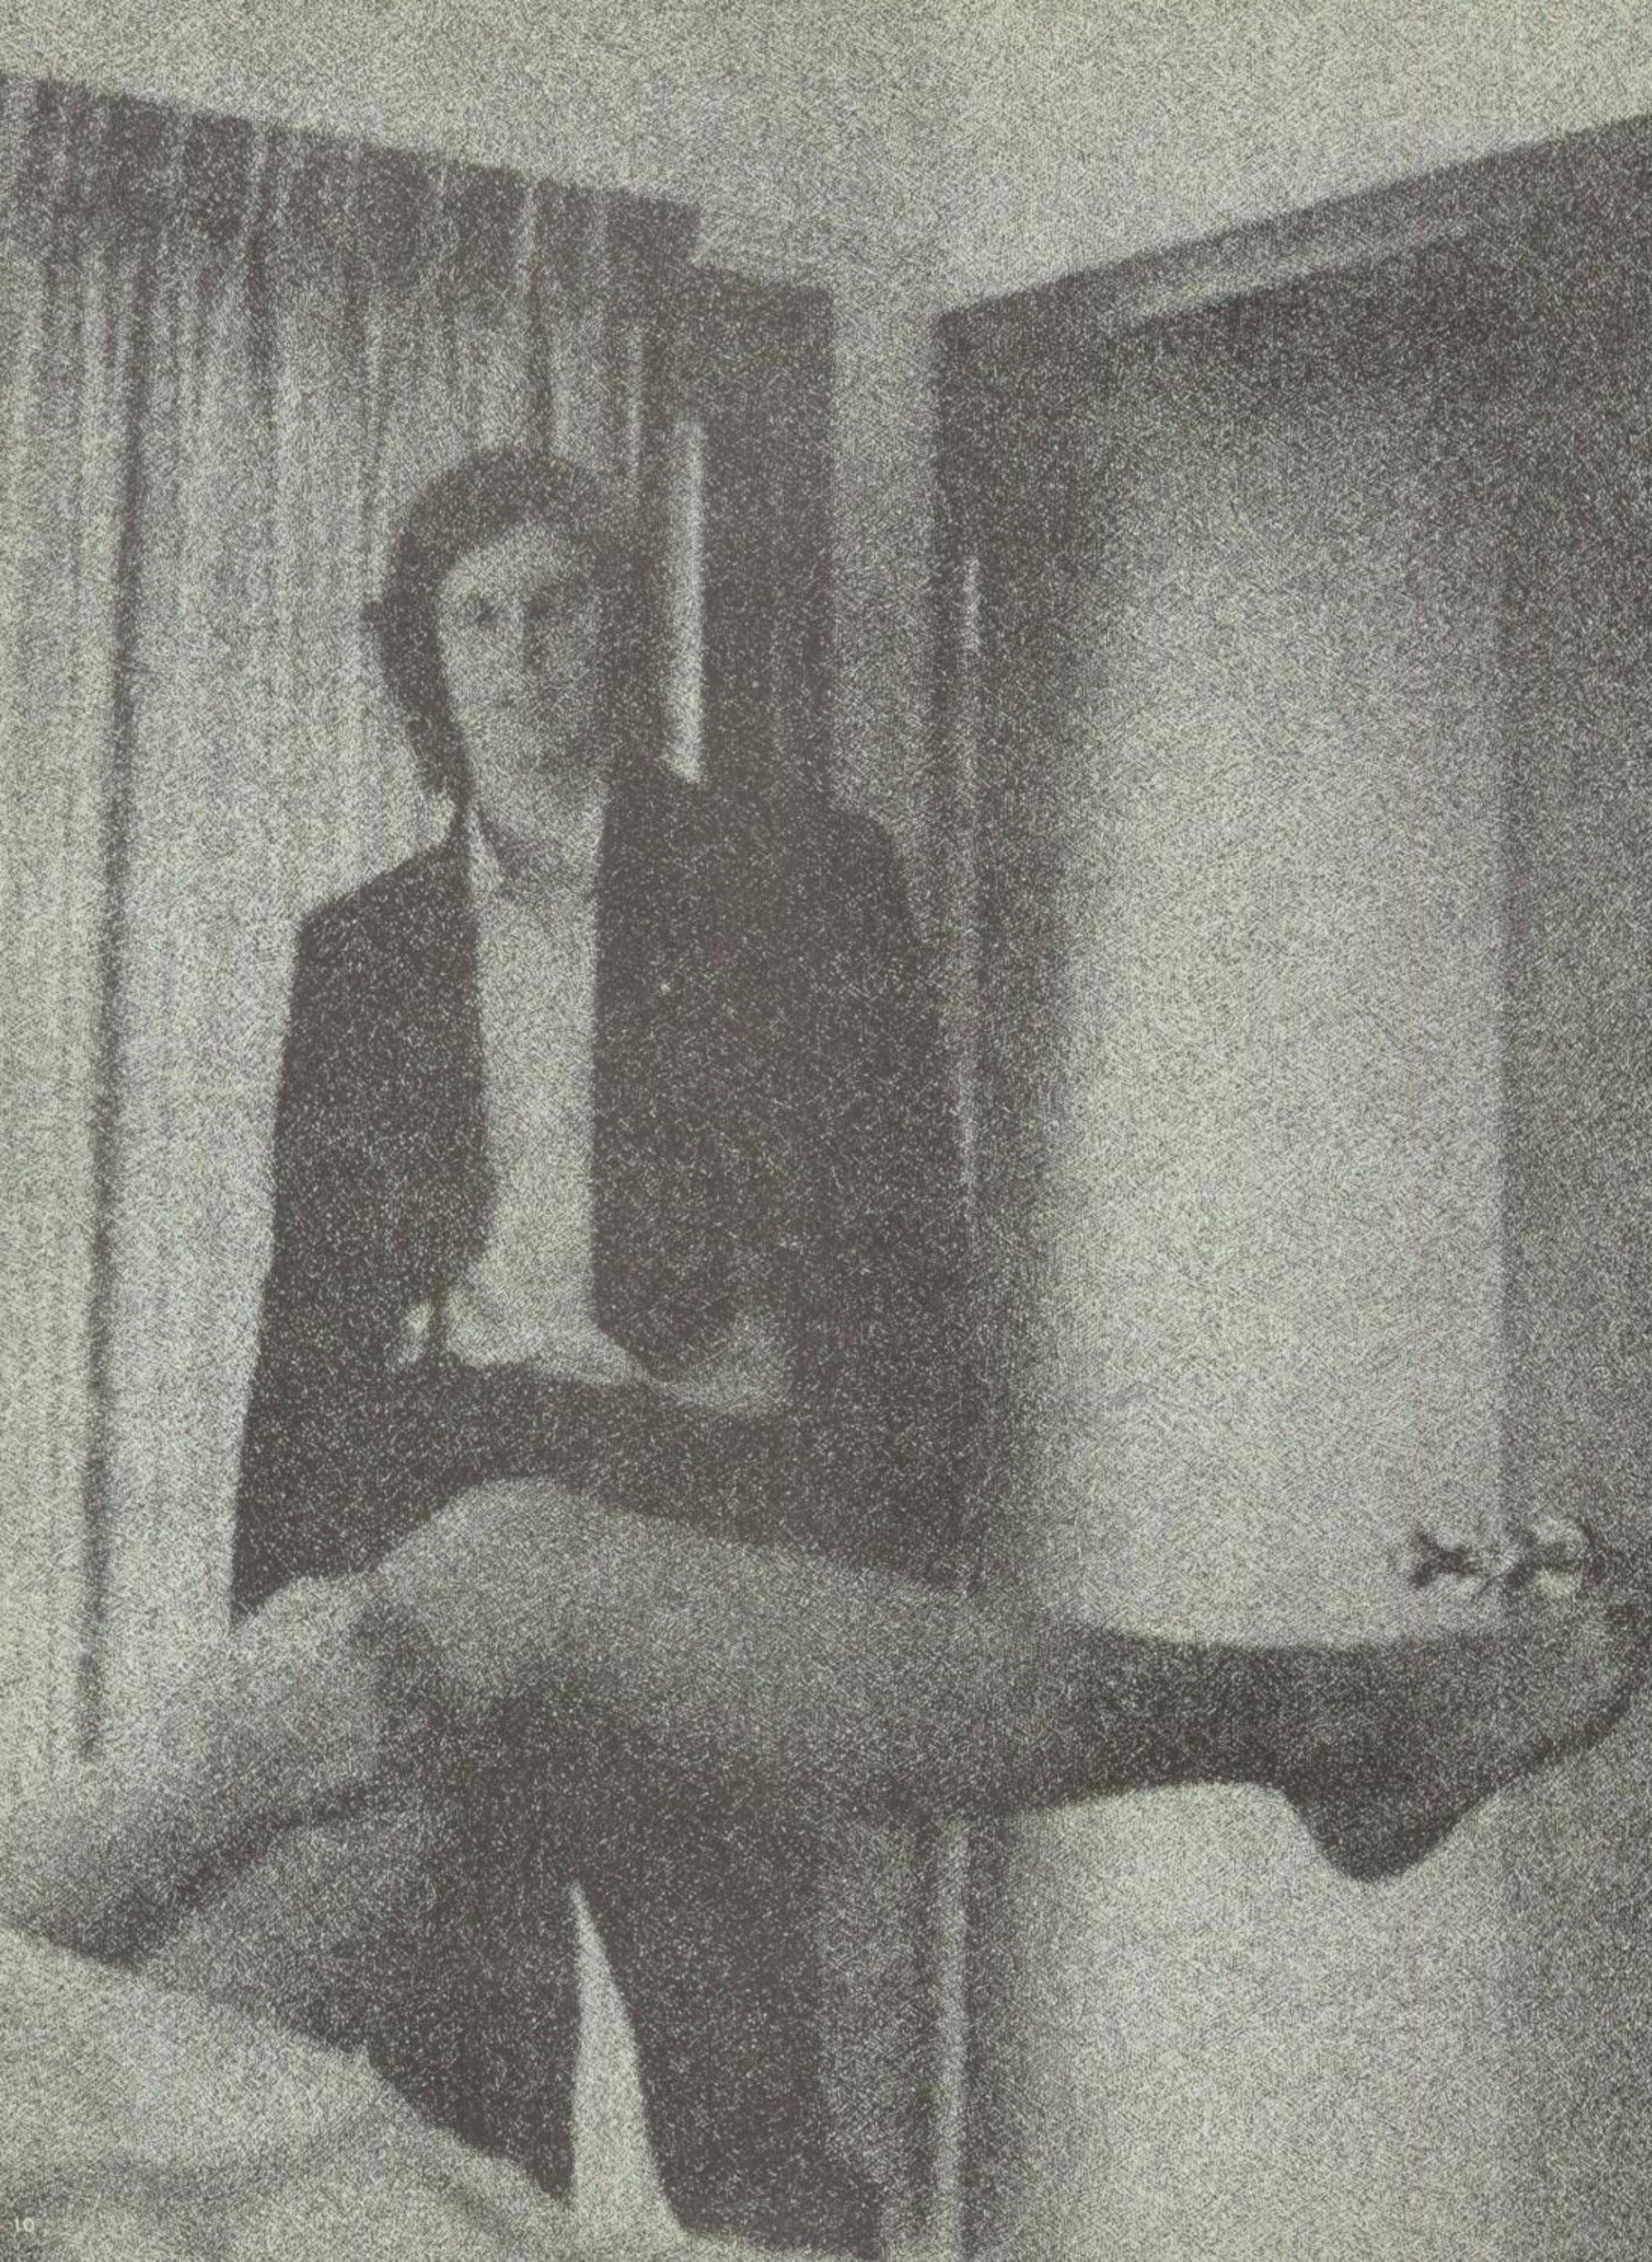

*THERE ARE PLACES I REMEMBER
FROM THE PLACES IN MY PAST . . .
. . . SOMETIMES I CAN LAUGH AND
CRY
AND I CAN'T REMEMBER WHY
BUT I STILL LOVE THOSE GOOD TIMES
GONE BY.*

New rights official for 18-year-olds

HELENA (AP) — With the stroke of a pen, Gov. Thomas L. Judge Tuesday extended the rights of adults to 18-year-olds in Montana, including the right to purchase and consume alcoholic beverages.

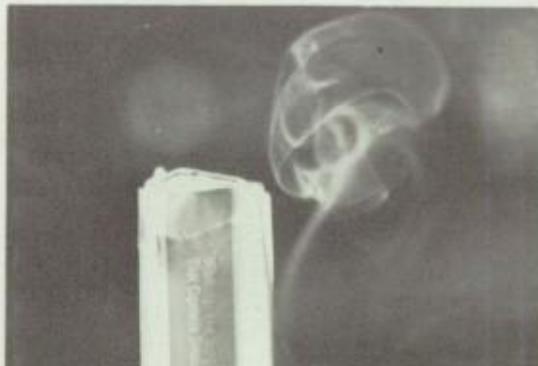

However, the new law which had passed the state House and Senate by substantial margins does not go into effect until July 1.

censes.

"I have worked with 18-year-olds in election campaigns, in the legislature, as lieutenant governor and in the present administration," Judge said. "These young people are intelligent and energetic and they work sincerely for the things in which they believe. And I am convinced that they should have the rights of adult citizens."

SENIORS BECOME LEGAL ADULTS

Many seniors celebrated their eighteenth birthdays during the school year. Turning eighteen brought with it added responsibilities as well as privileges. For one semester all seniors sat through an hour of American Government and learned about their rights and duties as citizens. On their eighteenth birthdays many seniors went out and saw how much of a certain privilege they could handle.

ODE TO COMMENCEMENT

*In a yesterspring
We met and
Tasted the watermelon
Sweetness of friendship.*

*We drank from a pool of love
As does, standing near a
brook, drink of its coolness.*

*Today
We'll taste yet one more
fruit —
The bittersweet lemon.*

*Tomorrow
I will leave to go away
And start to live alone.*

*You may stay
Perched on this broad rock
And watch
As I run down the slope
To the Tree of Life.*

*And sometime in the afternoon
You'll be surprised to see
me,
Struggling to come back.*

*But the climb will be too steep,
And never again shall we
Touch hands as we do now.*

*So, I'll hold your hand
today
And hope half-heartedly
That tomorrow doesn't come.*

*But, you know, I really
want to go.
The wind pushes me to leave.
And search for me.*

*Don't cry when you
Wake and find that
I have gone.*

*Be glad
Because I am doing
What I want to.*

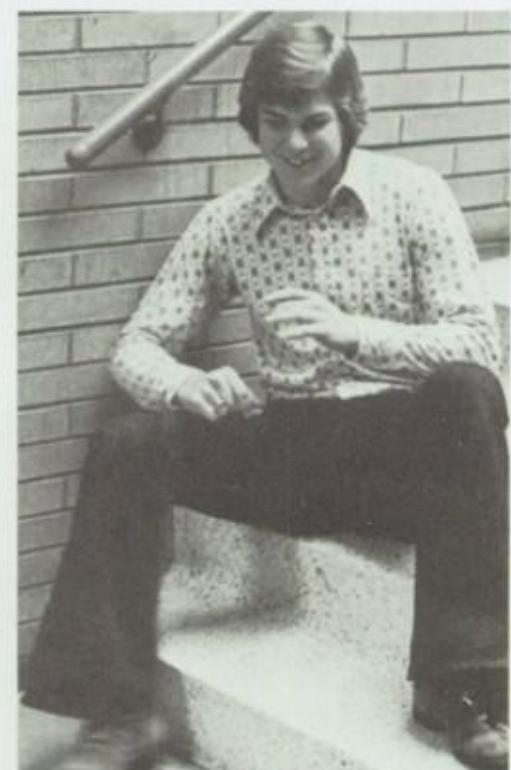

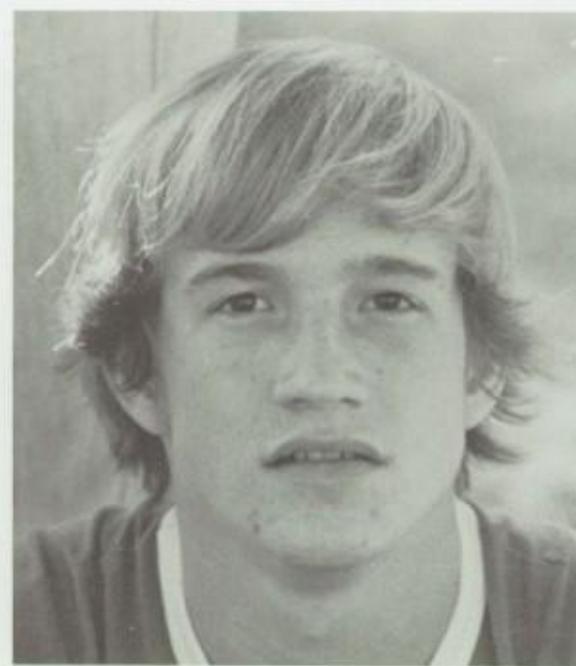

*Good-bye we are
Graduated.
Become the best
that you are.*

*And some nite you will see me
Smiling from my
far away rock*

*And know
That lemons are more
Sweet than bitter.*

God bless you.

DAVE,
Well we made it through
History (Almost), and what
a year it was. Just think
one more year of High School
and we'll graduate (hopefully).
As I am writing this
thinking about this
I'm about 3:30 o'clock.
I'm 17th about Dave
See ya-round Dave
and good luck over
the summer and

CONFUSION, CONCERT

The first days of school are always a time of confusion, especially for incoming sophomores. This year was no exception. With worries about finding classes and the right answers for tests, the confusion of the first day at West could be summed up in the question, "Which way do I go now?"

By week two of the new year, school usually settles down to routine normalcy. This year was different. Due to the efforts of Student Council, the students of West High were able to enjoy a free concert performed by Free Fare. Middle Left: Danny Munson attempts to find the "right way to go."

EDUCATION THROUGH PUBLIC RELATIONS

This year both parents and students received an education through public relations. On October 15 West High hosted the annual Open House. Students, faculty, and administration participated in giving the parents a look at West High's courses, policies, and procedures.

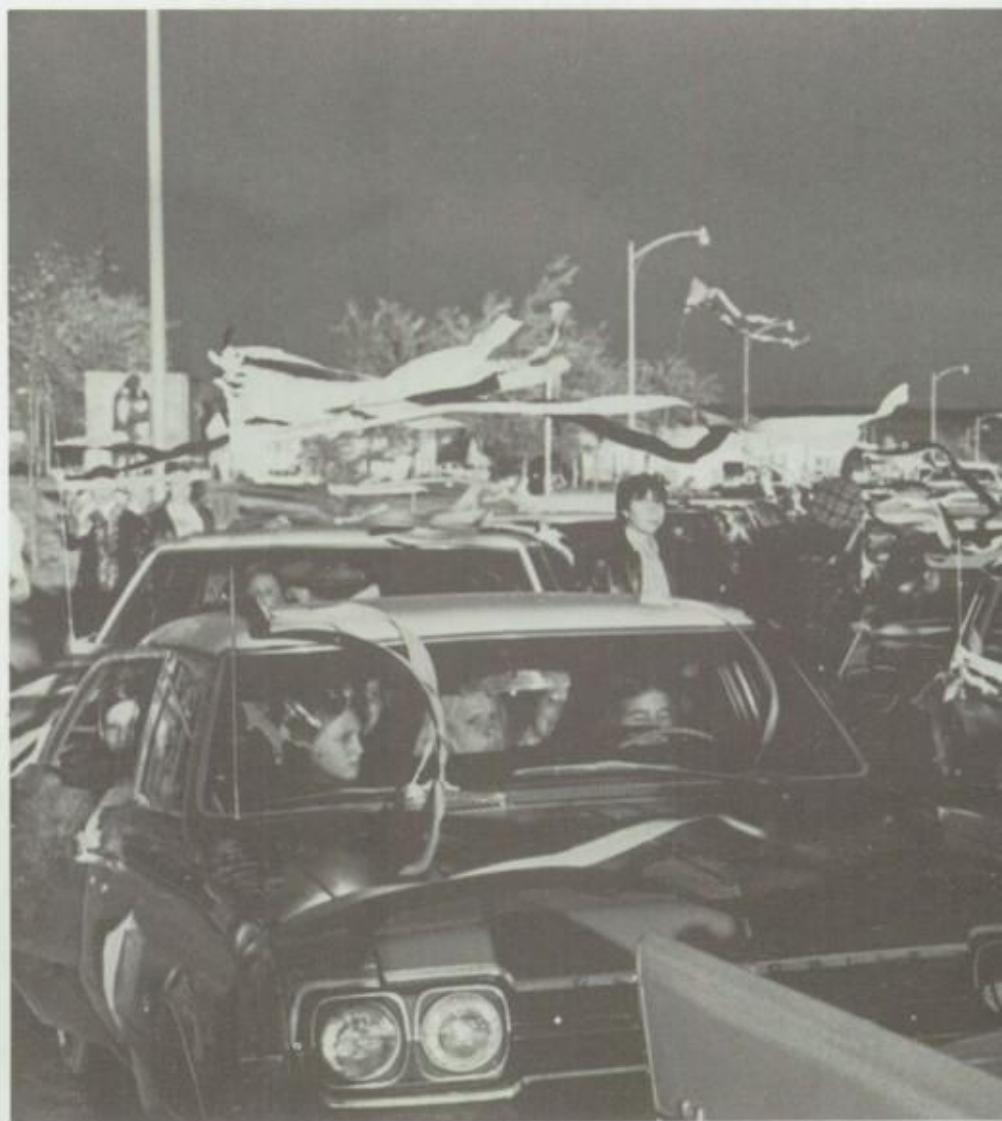

On October 25 representatives from trade schools, colleges and various occupations presented a Career Fair in the West High gymnasium. The Career Fair was conceived to educate high school students about opportunities awaiting them after graduation.

TOP LEFT: Carrie Bjorgum points the way. BOTTOM LEFT: Contemplating future careers, Leslie Thibaut and Debbie Liedle attend Career Fair. TOP RIGHT: Dede Kowald and Joanne Regele enjoy refreshments after Open House.

AN OFFER WE

FAR LEFT: Assisted by Dede Korwald, Jeff Spring voices the band's request to the Godfather. LOWER LEFT: Brenda Molen and Harry Staley smile royally. LOWER LEFT: Diana Coughlin exhibits artistry at the W-Day poster party. FAR RIGHT: Garnishing his Bear Feed hot dog is Perry Morrison.

COULDN'T REFUSE

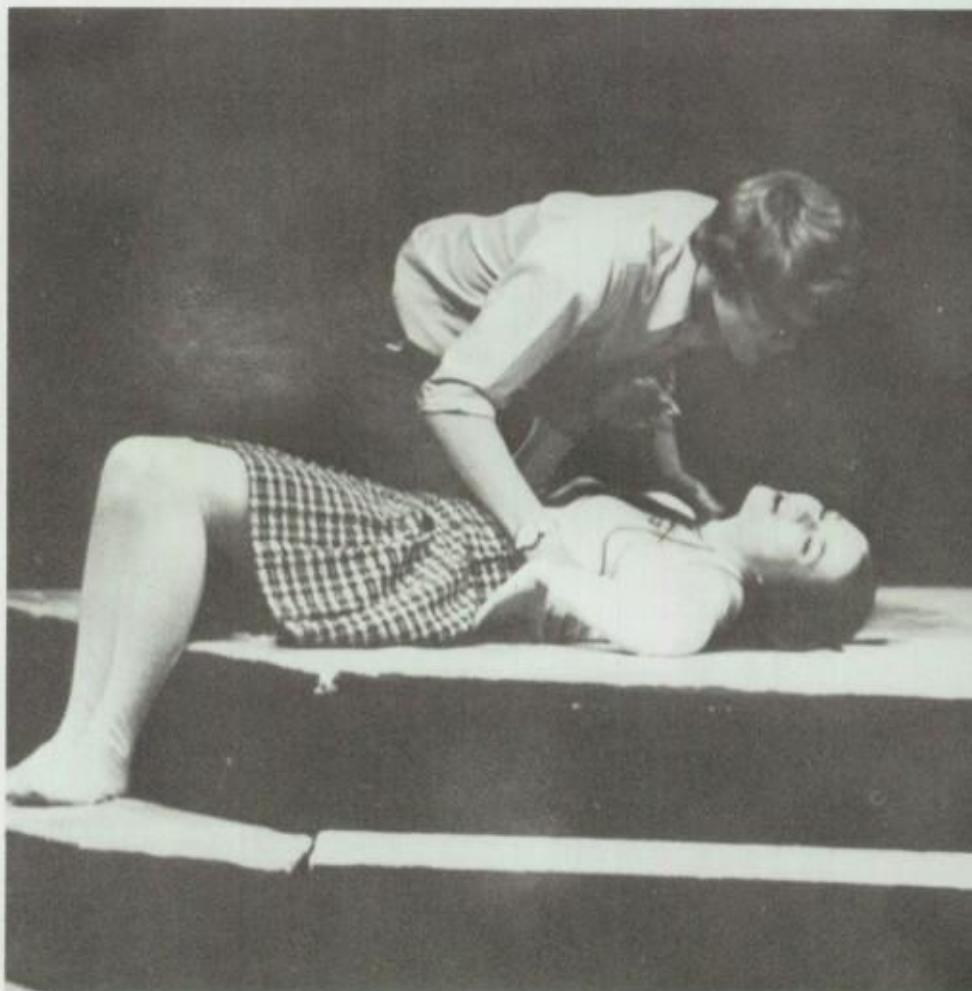

In the W-Day pep assembly the West High student body met the Godfather and an offer. The offer? To show their spirit . . . and this they did. Student Council encouraged student involvement by supporting a student body poster party October 10, and the traditional car caravan and the newly initiated Bear Feed on October 12. The first student barbecue was a big success, and even wind and rain couldn't daunt spirits for the following pep rally and car caravan. At the game Bear spirit was again evidenced as the Bears rolled to a 14-0 victory over the Butte Bulldogs. The day's activities were concluded by the crowning of Harry Staley and Brenda Molen as 1973 W-Day Royalty.

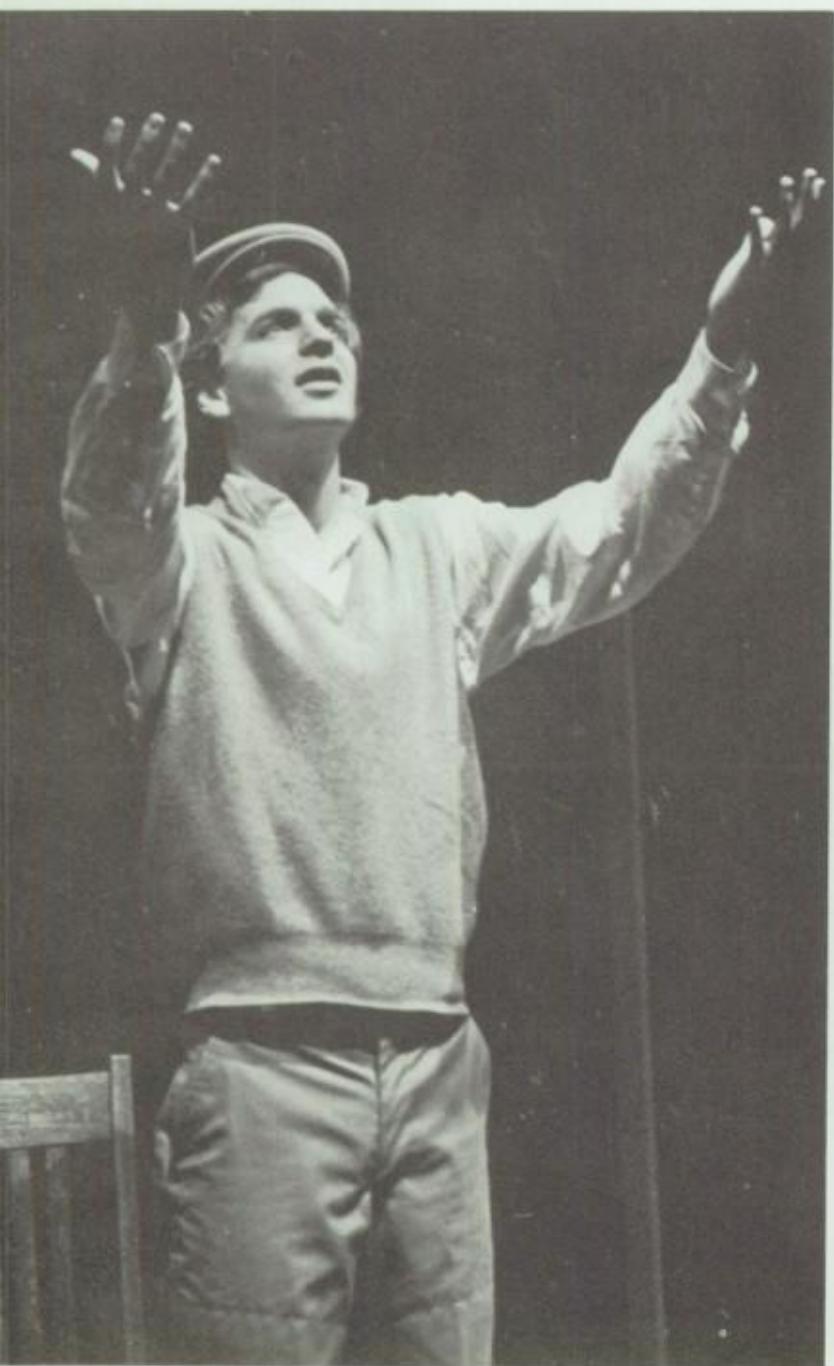

LOVERS

THE WINNERS . .

THE LOSERS

Lovers by Brian Friel was the fall production by the drama students which was under the direction of Mr. Eric Hendricks.

The first act of *Lovers* is entitled "Winners." Mag (Kaja Sherman) and Joe (Jeff Spring) are to be married the following week. In the course of studying final exams, they discuss their future as man and wife. At the end of their studies, they decide to steal a boat and take a ride on the lake. Fred Scott and Holly Lee narrate the factual accounts from the time Mag and Joe leave their studies. Joe and Mag are killed when their boat overturns on the lake.

The second half of *Lovers* is entitled "Losers." Andy (Pete Habein) and his lover, Hanna (Judy Lucas) marry but are burdened with Hanna's mother (Suzanna Bradley), who is an invalid. She and her friend Cissy (Char Stout) hold evening prayers to St. Philomena. When the mother suffers a severe attack, Hanna spends more time with her, and less time with Andy.

The "Winners" are Joe and Mag because their love is still at its peak when they die. The "Losers" are Andy and Hanna because their love dies by everyday routine.

CHRISTMAS FORMAL

On the evening of December 8, 1973, the annual Christmas formal entertained West Highers once again. BAC presented the setting in Santa's castle which included both Santa's kitchen and ballroom. Mr. and Mrs. Claus and the many couples danced to the tunes of "Limpin' Jorge." Such couples were Wayne Lackman and Laura Feyhl (FAR UPPER RIGHT), John Rader and Barb Hurly (MIDDLE RIGHT), and Dave Lauwers and Kelly Sipes (NEAR RIGHT). Highlighting the evening was the crowning of Snow King (Dan Benoit) and Snow Queen (Jeri Pullum) (BOTTOM LEFT).

IN SANTA'S CASTLE

HEY RUBE

"Hey Rube" was put on under the musical direction of Mr. Russell Creaser and his student teacher, Mr. Jerry Johnson. Also directing the play were Mr. Eric Hendricks and Mr. Steven Payne. Mr. Eric Hendricks and his stage crew were in charge of all props and the changing of scenes. Mr. Lowell Bushnell was responsible for the lighting of the production.

UPPER RIGHT (*left to right*): Brad Ulgenes, Roma Lee Munson, Judy Lucas, Steve Bischke, Kelly Varnes. LOWER CENTER LEFT: Steve Bischke and Judy Lucas.

On January 31, 1974, the Billings West High Chorus Dept. opened its musical production, "Hey Rube." The production, which also ran February 1, 2, and 4, involved approximately 250 choir members in singing, dancing, and acting.

John Slater (Steve Bischke) leaves his family (Vicki Gohsman, Romalee Monson, Nick Hafner, and Brad Ulgenes) and travels to the big city to seek his fortune. Along with finding his fortune, he finds Adele (Judy Lucus), a rich high society con artist. Adele tries every trick in the book to keep him away from his family and succeeds until the Slatters come to the city for a surprise visit. The fun begins when Lun meets Adele and calls her a nanny goat and a mud-head. After many hilarious incidents, Adele is finally exposed by Cal Henderson (Kelly Varnes) as a fraud and John returns to his first loves, Flora (Lorna Nickel) and country living.

Dave,

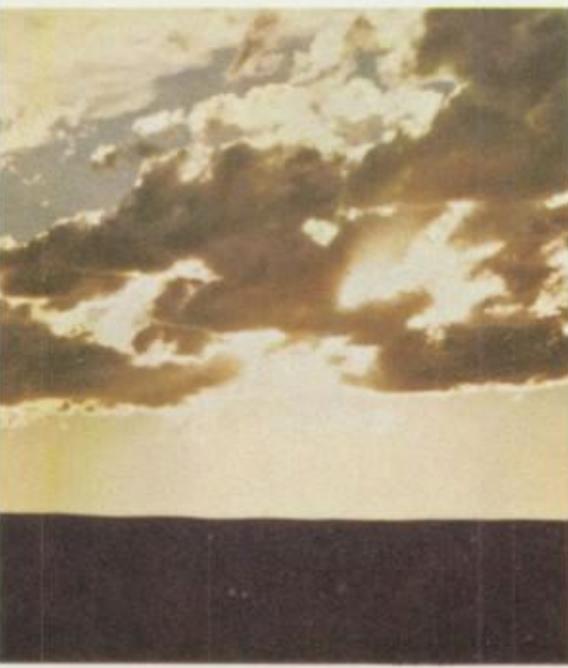

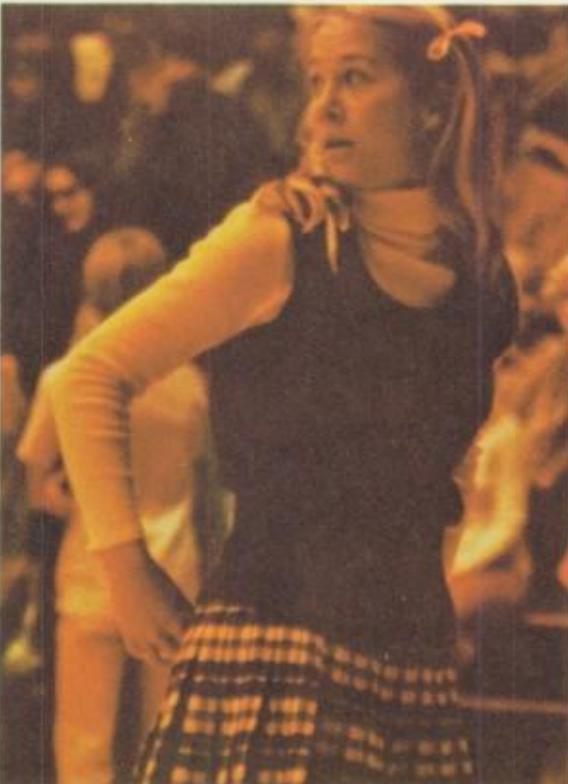

Keep working on the old pig in gymnastics and also the parallels or whatever you do. It's a lot of fun. I quit gymnastics because of a bad knee, a tired body and a small dispute with Mr. Denning. Enjoy your senior year next year. It's fun.

THERE ARE PLACES I'LL REMEMBER ALL MY LIFE, THOUGH SOME HAVE CHANGED, SOME FOREVER, NOT FOR BETTER. SOME HAVE GONE AND SOME REMAIN. ALL THESE PLACES HAVE THEIR MOMENTS, WITH LOVERS AND WITH FRIENDS I CAN STILL RECALL. SOME ARE DEAD, AND SOME ARE LIVING. IN MY LIFE I'VE LOVED THEM ALL.

I KNOW I'LL NEVER LOSE AFFECTION FOR PEOPLE AND THINGS THAT WENT BEFORE. I KNOW I'LL OFTEN STOP AND THINK ABOUT THEM IN MY LIFE.

ALL AROUND THE TOWN

Whether in school or out, West High students can be found meeting, conversing, or just plain messing around. During school hours the most common meeting grounds are the planter, commonly called the "Jock Rock" and the parking lot, where students may enjoy the pleasures denied them on the school grounds. Foosball has increased rapidly in popularity with the students at West High. Tables can be found anywhere, from roller rinks to the school cafeteria. MIDDLE LEFT: Annie Brown, Curt Nagashima, Jeri Selvig, Mark Koch, Trent Allen, and Dan Dolan play a game at the Square Wheel. Besides foosball players, West High also has a substantial supply of dancers. BELOW: Pam Diedrich dances after a game. With the lowering of the drinking age, Gramma's has become a well known house of entertainment for West High students. Not alone in popularity, however Gramma's chief competitor on the West High market is Little Big Men. FAR LEFT: Larry Achenbach, Dave Graves, Barb Halverson, Lanette Haun, and Barb Trowbridge relax at Little Big Men. While some areas are more popular with the West High crowd, West students generally make the scene east side, west side, all around the town.

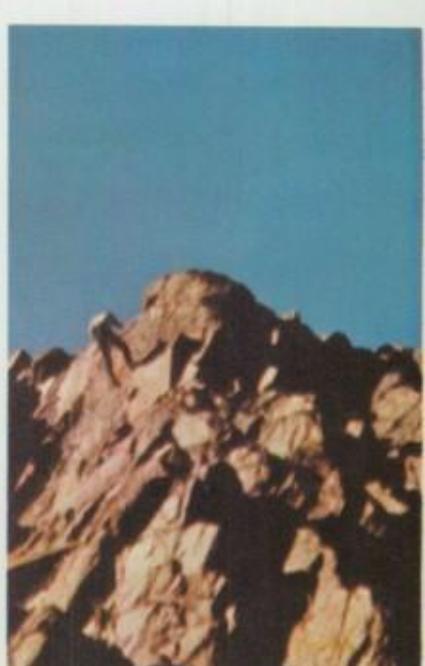

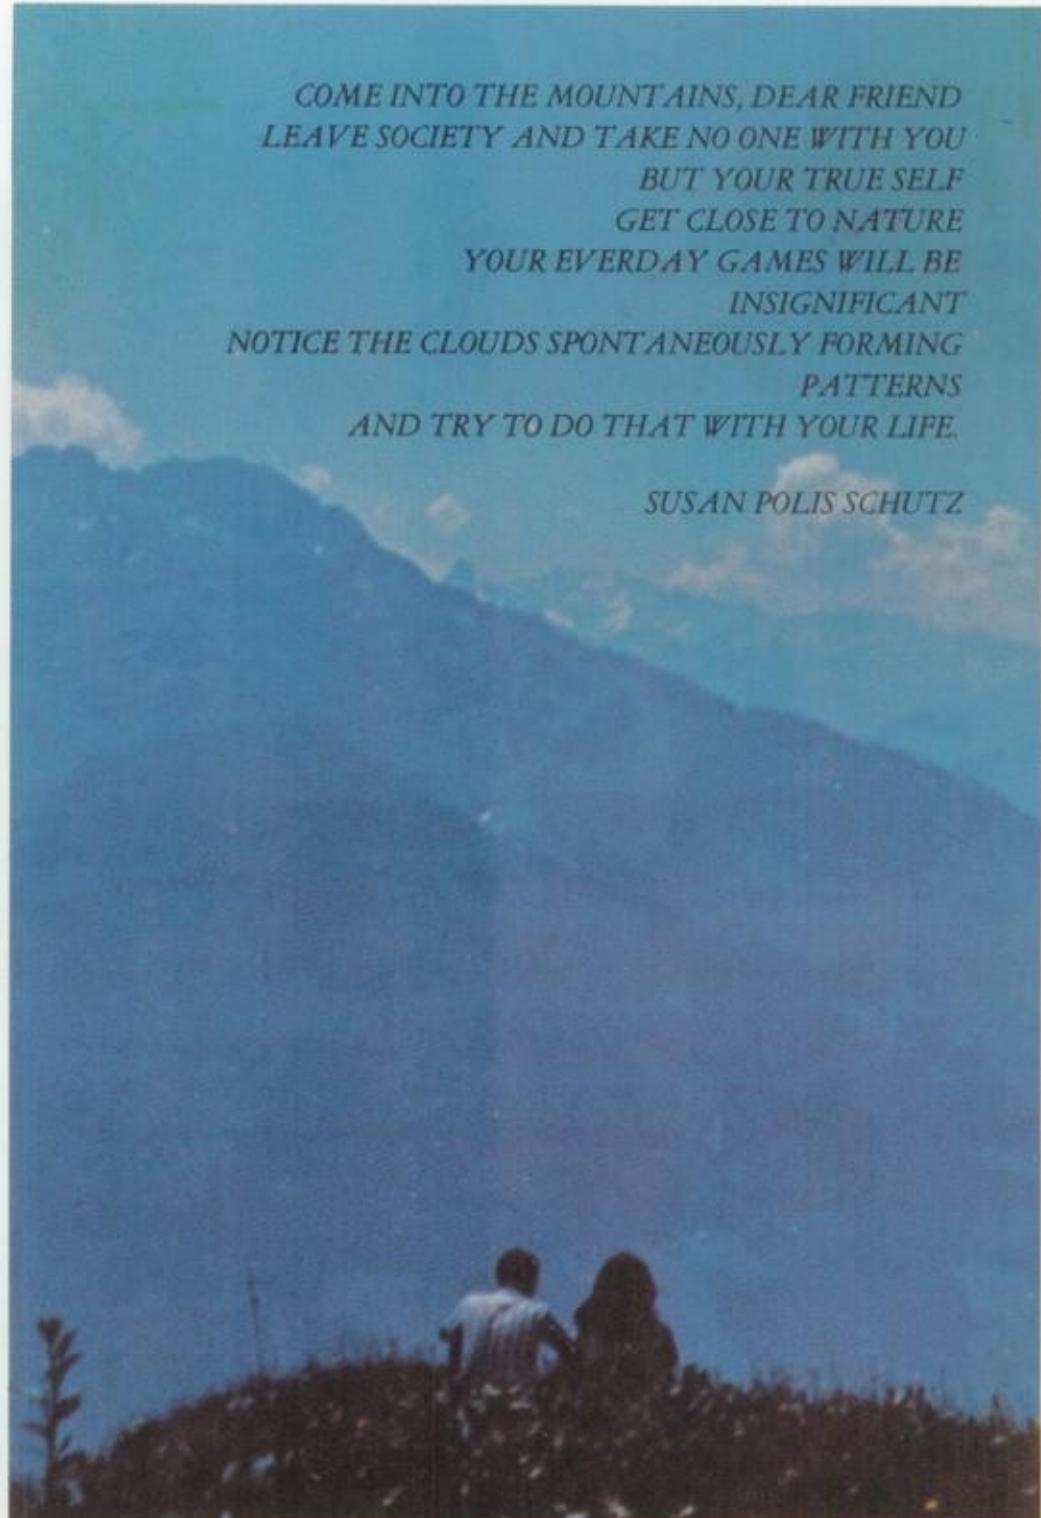

Dave,
I hope you
continue to be
as smart as you
were this year in
Biology, have a
good time this
summer.

THE BEST REMEDY FOR THOSE WHO ARE AFRAID, LONELY, OR UNHAPPY IS TO GO OUTSIDE, SOMEWHERE WHERE THEY CAN BE QUITE ALONE WITH THE HEAVENS, NATURE, AND GOD. BECAUSE ONLY THEN DOES ONE FEEL THAT ALL IS AS IT SHOULD BE AND THAT GOD WISHES TO SEE PEOPLE HAPPY, AMIDST THE SIMPLE BEAUTY OF NATURE. AS LONG AS THIS EXISTS, AND IT CERTAINLY ALWAYS WILL, I KNOW THAT THEN THERE WILL ALWAYS BE COMFORT FOR EVERY SORROW, WHATEVER THE CIRCUMSTANCE MAY BE.

This year's activity on the ski hill began and ended with . . . something to be desired! Snow was scarce, but even without an abundance of the stuff, action remained booming deep within the trees. One of the bigger letdowns of the season was the crackdown on distribution of beverages, which caused some frustration among many skiers when the cold, hard fact hit them that they would, indeed, have to ski soberly, if not safely.

GRIN AND BEAR IT!

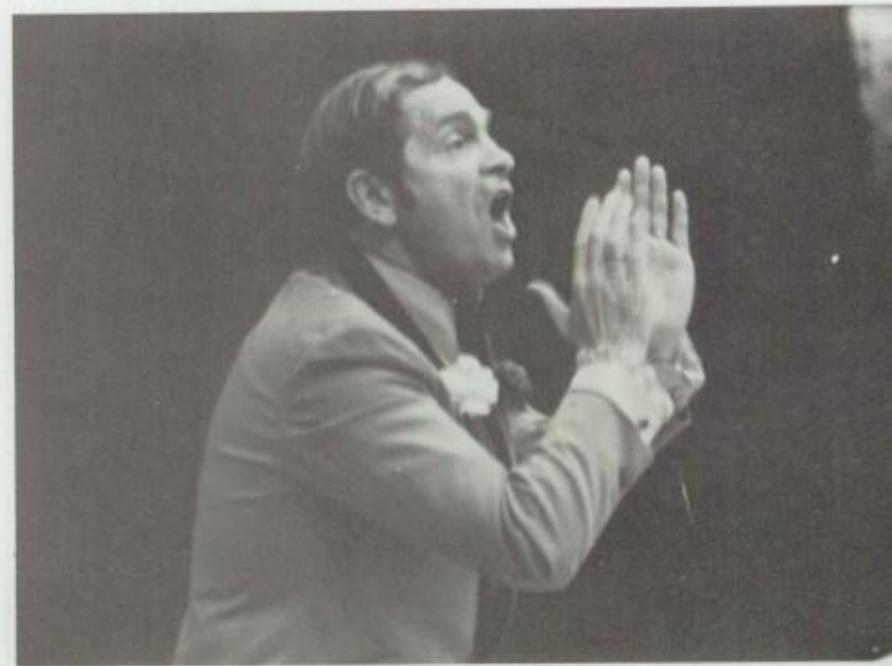

Throughout the year the Golden Bears of West can be seen anywhere: clutched in arms; in front of the school, at the games; on the street — yes, almost anywhere. And wherever the Bear appears, the saying is sure to follow "Grin and Bear it, West is Best!"

The BWHS vocal music department kicked off their 1973-74 season with a Fall Concert in October. The Christmas Concert in December featured numbers from all choirs. Of particular interest was a Spanish work, "Navidad Nuestra," performed by A Cappella choir. Soon, all the choirs pooled their efforts to stage the annual variety show in January. The highpoint of the year for A Cappella choir came in May, in Spokane, Washington, at Expo 74. There, they had the opportunity of performing several selections at the concert. The year came to a close for all the choirs in May at the Spring Concert.

The ARTery throughout this past year has been engaged in many activities. They have visited several private art studios and have been hired by assorted groups and clubs to silk screen posters. With the help of Mrs. Landis and Mr. Cottrill, they had a Raku party (See photos). The ARTery would like to sincerely thank all students and faculty for supporting the one and only "ARTery."

This year AFS has been busy, \$ busy \$ busy \$. Along with two assemblies, AFS has had a movie, two poster sales, a bakesale, and concessions. Their goal was to send both Pete Habein and Char Stout abroad, as well as bring two students to West. However, this is not possible. But next year, with support from the student body like they had this year, they will be able to send both candidates.

The Billings West High Flag Corps sponsored by Mrs. Betty Nesbit, assisted by Mrs. Carol Brown, really came of age this year — with three big football halftimes and three special basketball halftimes. Sometimes with flags, sometimes with pom-poms, they earned for themselves a steady, lasting respect from the BWHS student body. They hope in the future to live up to that respect.

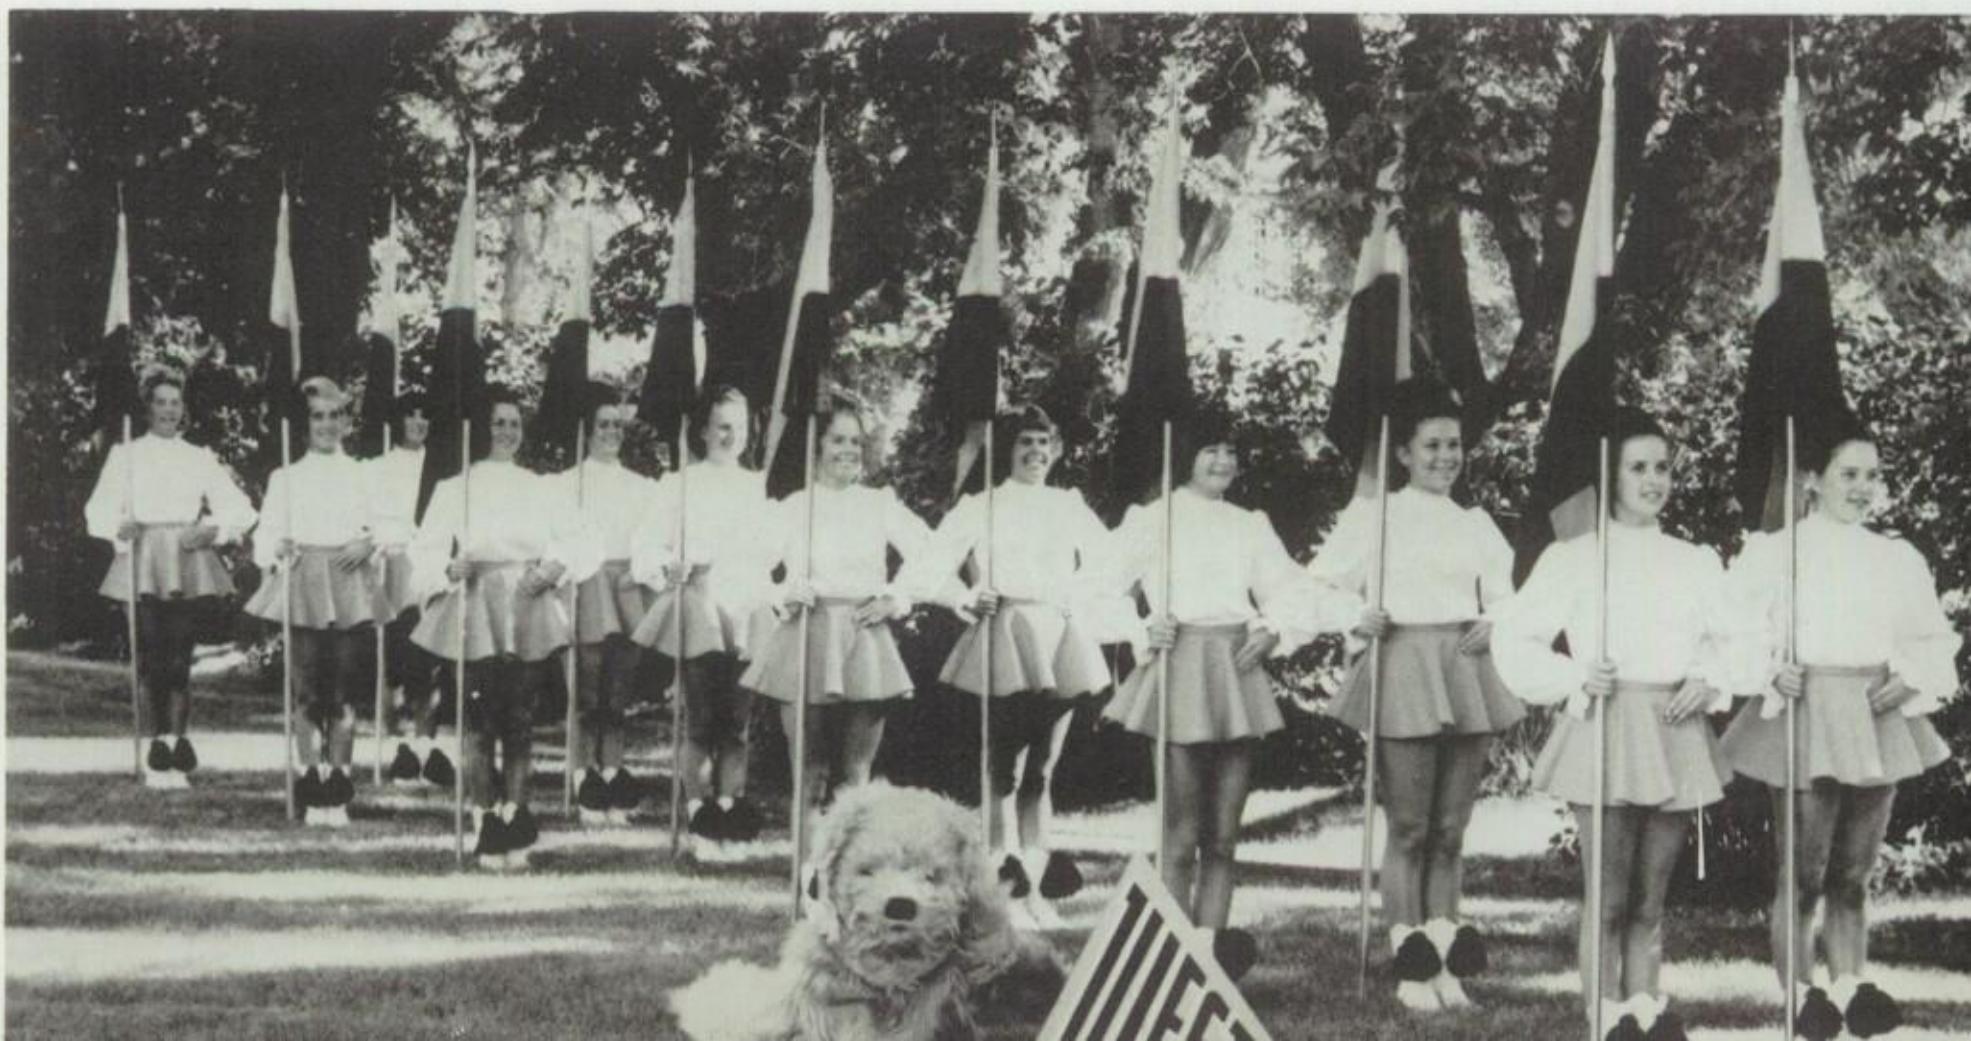

The biggest thrill of the year was a trip to Spokane to march in the Lilac Festival with the BWHS Band and the Majorettes.

That everyone works for what he gets, especially respect, these Flag Girls very well know.

GIRLS VARSITY is a club involving those girls who have lettered in either track, cross-country, gymnastics, golf, swimming, or tennis. They sold Bear candles to fund the \$100 scholarship given at the end of the year.

FRENCH CLUB played an active role in school this year. They teamed up with German Club, next door, for Christmas Caroling and a party at "Der Schwarzwald." Using recipes from the French cookbooks they sold to raise money, they later entertained the Germans at a nine-course banquet. Jeff Goulding showed pictures and slides from his trip to France last summer, and French songs added to the program. The club finished the year with a crepes-eating contest and party.

GERMAN CLUB.

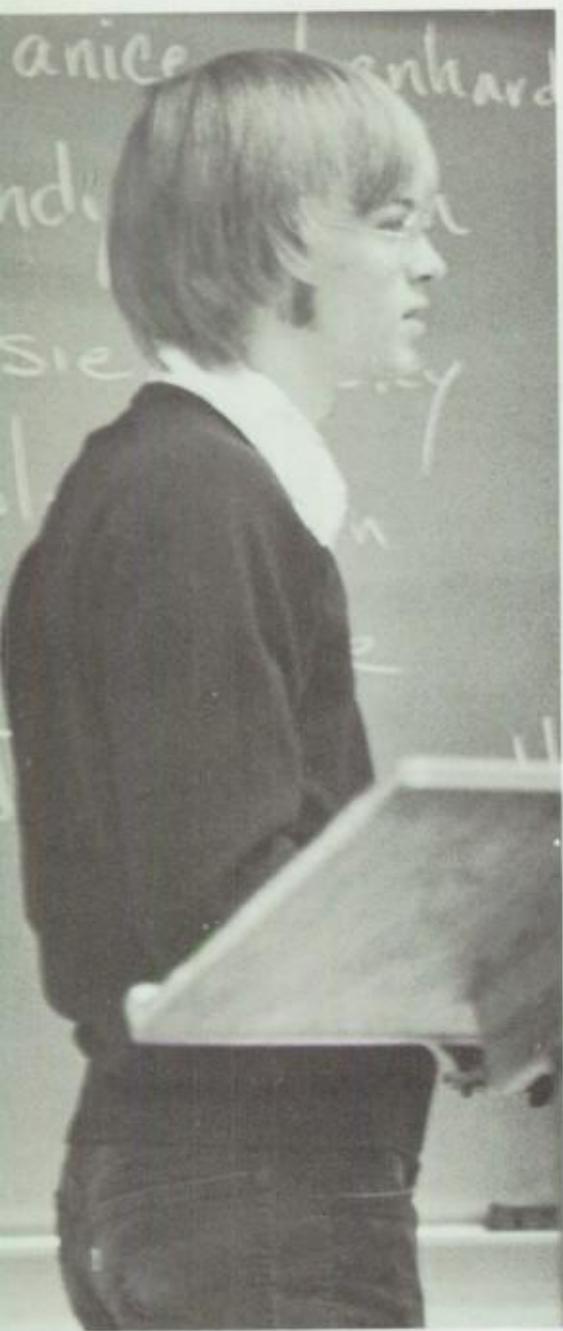

Although they began slowly, German Club withstood the pressures and came out ahead. A bike hike, where only German was spoken, led the list of activities. Dinner at "Der Schwarzwald" furthered members' knowledge of German Customs. A Fasching, similiar to a masquerade party, and a picnic with German food completed an enjoyable year. Gummi Baren, a German candy, sold well and increased their treasury.

Happiness is as a butterfly, which, when pursued, is always beyond our grasp, but which, if you will sit down quietly, may alight upon you.

INTERACT had another good year! For their service project to the school they redecorated the throne and planted bushes in the courtyard. The Club challenged other clubs during the year at football and basketball. They planned a function at the end of the year.

JAYBEES, advised by Mr. Warne had a productive year. They had poster parties, a coat check at basketball games, gave money to AFS, and challenged the Majorettes and BAC to volleyball.

The club chose queen candidates for the Spring Royalty. They also painted and repaired the benches in the courtyard.

KODIAK, West High's newspaper, is rapidly trying to keep pace with other top-rated high school newspapers in the country.

This year the staff added more coverage in sports, mainly through credit to the Cubs. Also they have tried to present more pictures to accompany articles.

KODIAK serves West High in hopes to keep the student body and administration informed and interested in school, city, and national happenings.

KADENCE KLUB, a girls service club, worked with the mentally retarded monthly and put on a Christmas party for the Boys Club. They had sold at concessions and took tickets at the football and basketball games. The club nominated king candidates for the Spring Royalty. The President of the club was Jackie Skinner.

KEY CLUB contributed by taking charge of the school sign out front and by donating money to AFS. A yearly convention was held that many attended. They sent a Harmonica Band to the Exchange Assembly. Key Club worked as ushers at school activities and sold popcorn at basketball games. The president was Jeff Spring.

L

LETTERMEN'S CLUB is a non-service organization. They have an annual performance in which the men who have lettered in basketball, football, track, cross-country, swimming, or tennis participate. It is advised by Mr. Jack Young.

Laughter while it lasts, slackens and unbrates the mind, weakens the faculties, and causes a kind of remissness and dissolution in all the powers of the soul; and thus far it may be looked upon as a weakness in the composition of human nature. But if we consider the frequent reliefs we receive from it, and how often it breaks the gloom which is apt to depress the mind and dampen our spirit, with transient, unexpected gleams of joy, one would take care not to grow too wise for so great a pleasure of life.

Library Aides at West High are busy workers for one hour every day, under the direction of Mrs. Jeannette Davis and Mrs. Pauline Jones. They learn the routines of library procedure, how to be helpful to other students, and create attractive bulletin boards and book displays. Before the Christmas season the aides planned a party and decorate a tree for the library.

LATIN CLUB: "Latina non lingua moribunda est," as Latin Club proved throughout the year. Capably led by R. Manilius (*pater noster familias*), Latin Club successfully participated in the annual Thanksgiving food basket drive and, in the spring, the Roman festivities (i.e. Roman gorgee).

As ever, Latin Club demonstrated to *hoi polloi* its salient cultural erudition and finesse in its pep skit production in January (t. Janus). Therefore, since (in the words of that immortal writer) "to be great is to be misunderstood," *fotius conamur.*

For the B.W.H.S. Majorettes, sponsored by Mrs. Betty Nesbit, it was another big year: big football and basketball halftimes and two big parades on one side of the ledger and big candy sales, big concessionstand sales, and big (that is, long) practices on the other. Once again the corps practiced during the summer, and always, of course, during first period and on Wednesday night.

A highlight of the year was a trip to Spokane, Washington, to march again in the Lilac Festival — the third time in recent years that the Billings West High Band and Majorettes have been guests at that gala affair.

Pride — that's the name of the Jette game — pride in themselves and pride in their school. They consider it a signal honor to be able to represent this student body.

After accepting an invitation to perform at Expo '74 in Spokane, the orchestra, under the direction of Mr. James O'Brien, plunged into a exceptionally busy year. The year began with the Fall Concert in November and the Invitational Orchestra Festival in Bozeman. Among various money-raising projects the orchestra performed in the Christmas Concert, hosted district and state music festivals and premiered for their program for Expo in May. The year ended with an excellent performance at the World's Fair.

RUN, SPOT, RUN!

The OD's of this year are the greatest this school has ever had! Issuing call slips, answering phone calls, helping lost souls were just a few of the important jobs the OD's do. This year there are about fifty OD's, including the main office and the guidance offices. The OD's have a lot of fun trotting up and down the halls delivering messages, and generally speaking, running the school!

SCIENCE CLUB. The 1973-74 year was a very productive year for Science Club. The club made a sundial, grew crystals, and made a plastic flute. The club also made movies for use by science teachers of West on the Mettler scale, thin-layered cromotography, and photocells. Science Club took a trip to Barons Jewlers to watch precious gems be cut. Adviser is Mr. Leroy Dover.

SPANISH CLUB this year was lucky enough to have Jaime and Alvaro, from Chile and Columbia, talk to the club on their countries. Anita Kiser spoke of her two year stay in Honduras. STUDENT COUNCIL, 1973-1974. What can we say? A lot! Here are a few examples of our words of wisdom: "The meeting will please come to order." "How come?" "I move we have a tape deck at dances." "We want sweatshirts!" "I move we put a foosball table in the cafeteria." "All those in favor, say aye!" "Those opposed, same sign." "Same sign!" "What about sweatshirts? . . ." Kids say the darndest things.

STAGECRAFT, directed by Mr. Eric Hendricks, had a very busy year. They made all the sets and some props for "Winners and Losers," "Hey Rube" and the other plays that were presented to West High. One could say that Stagecraft does all the dirty work that the audience learns to take for granted, but for the people involved it is a great learning experience.

STAGEBAND is for those students who want to play jazz and rock music. Meeting every week, these students prepare the music that they play for the spring and winter concerts, and for the District and State Music Festival. These students perform at grade schools, and at a number of social events, as well.

URSA MAJOR no longer exists. With the coming of this year, the magazine staff determined that a new name was needed to better reflect the contents of the student's mind. In a burst of inspiration they renamed it *THE STUDENT MAGAZINE*. The goal of the staff was written into the new name. The magazine this year was oriented toward the student, and they believe that the quality of the variety of the writings within it reflect the human and the serious in the 73-74 year. VARSITY CHEERLEADERS supported the Varsity Bears from football straight through until track. Fourth period everyday was spent in practice. During the summer they worked at the fair to raise money for outfits and out of town trips. In their "extra" time, the cheerleaders helped to start a new cheerleading program at the Trinity Luthern School.

In June of 1973, eight girls and twenty-three boys from West High School that were selected during their junior year, attended Girls and Boys State. These thirty-one students were chosen through their leadership and scholastic qualities and then voted on by their fellow students. The purpose of the event was to learn through experience the process of state, country, and municipal government. Girls' State was held in Helena and Boys State met in Dillon.

COLUMBIAN INVADES BEAR COUNTRY

I like Billings very much because it changes with every season. In the evening, with the trees against the sunset and snow on the ground, I think it is very beautiful, even if it is cold.

School is difficult for me sometimes because I do not understand English well, but I have great classes and teachers. The people in the office and my counselor are very helpful and I appreciate this very much. I have good friends here, and my favorite pastime is sitting on the planter and watching the girls go by.

ELSE ROSDAHL VISITS WEST HIGH

Billings West High is a very nice school in which I have had a lot of nice experiences. During my stay in Billings, I have learned a lot of new sides of the American Society that I didn't know existed before I came here. Everybody I have met here has been very friendly towards me. And I should like to return some of that hospitality (I am not certain that is the right word!) by inviting everybody to visit Denmark.

we'll be in school thru.

JOCKS AND JOCK-ETTES

GRAVES' DIGGERS ARE CHAMPS.

The varsity cross country team completed the '73 season with a State Championship in their possession, narrowly outdistancing Missoula Helgate 55 to 56. Securing places for West were Jon Metropoulos 3rd, Mike Lyon 4th. Next to score for the Diggers were Randy Koch 12th, Lary Achenbach 17th, with Bryl Skovgaard coming in 19th to wrap it up for the Bears. Junior varsity held an identical record with varsity with an undefeated season for the future Bears.

SMALL TEAM WITH BIG GOALS

The girl's cross country team this year was lacking considerably in participants, though not in spirit and skill. Of the few competitors there were, none were seniors. They performed well and finished high in the state meet, leaving West High with good expectations for next year when the team will be more experienced than, perhaps, it has been in a long time.

INTRAMURALS — COMBINATION OF WORK AND PLAY

Intramurals at West High this year followed tradition nearly the same as every other year — except things were a little more co-ed. Of course, there were still the segregated teams, but most participants will agree that integration is much more fun.

THOSE DARING YOUNG MEN AND THEIR FLYING MACHINES

Only a select few from West have proven . . .

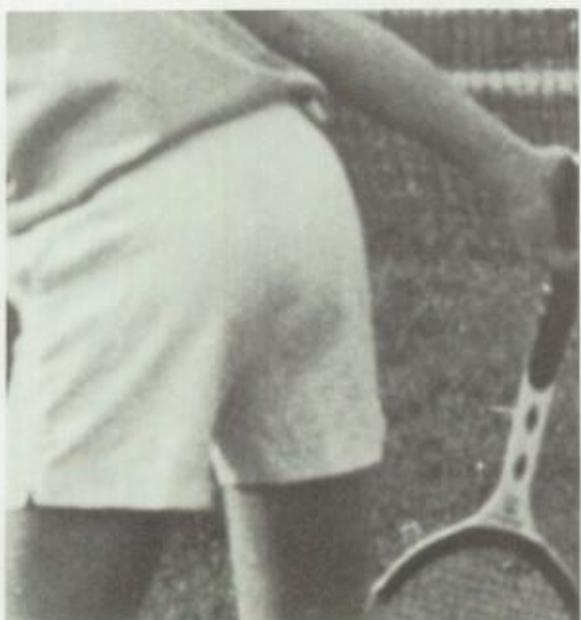

to be daring enough to partake in a most challenging sport.

The tennis team of 1974 was a young one consisting mainly of sophomores and juniors. Up and coming are Paul Richards, Randy Flugstad, Greg McDonald and Bob Weaver. They were among the best group of sophomore boys West has ever had. Junior Dave Richards was a returning veteran in boy's singles and in girl's doubles were seniors Kris Roney and Mary Guy. The top new girls this season were Donna Friedt, Karen Hoffman, and Lee Hutchinson. The team spent the fall of '73 playing a competitive round robin.

FOOTBALL

ON THE GRIDIRON

Football, one of the most demanding sports at West, was tackled superbly this year by new Head Coach Berv Kimberly and his Bears. Although the Bears lost their first three games, which were nonconference, they came back and won every conference game except one against Great Falls Public. By the end of the season the Bears racked up a second in Eastern Division standing with a fine 5-1 record. The Bears upheld West's pride by severely thrashing Senior in the annual Senior — West clash by a score of 24-7. Some standouts of the season were Duane Bjelland, Dan Benoit, Scott Perdew, Mitch Borth, Mark Warne, and Pete Hansen.

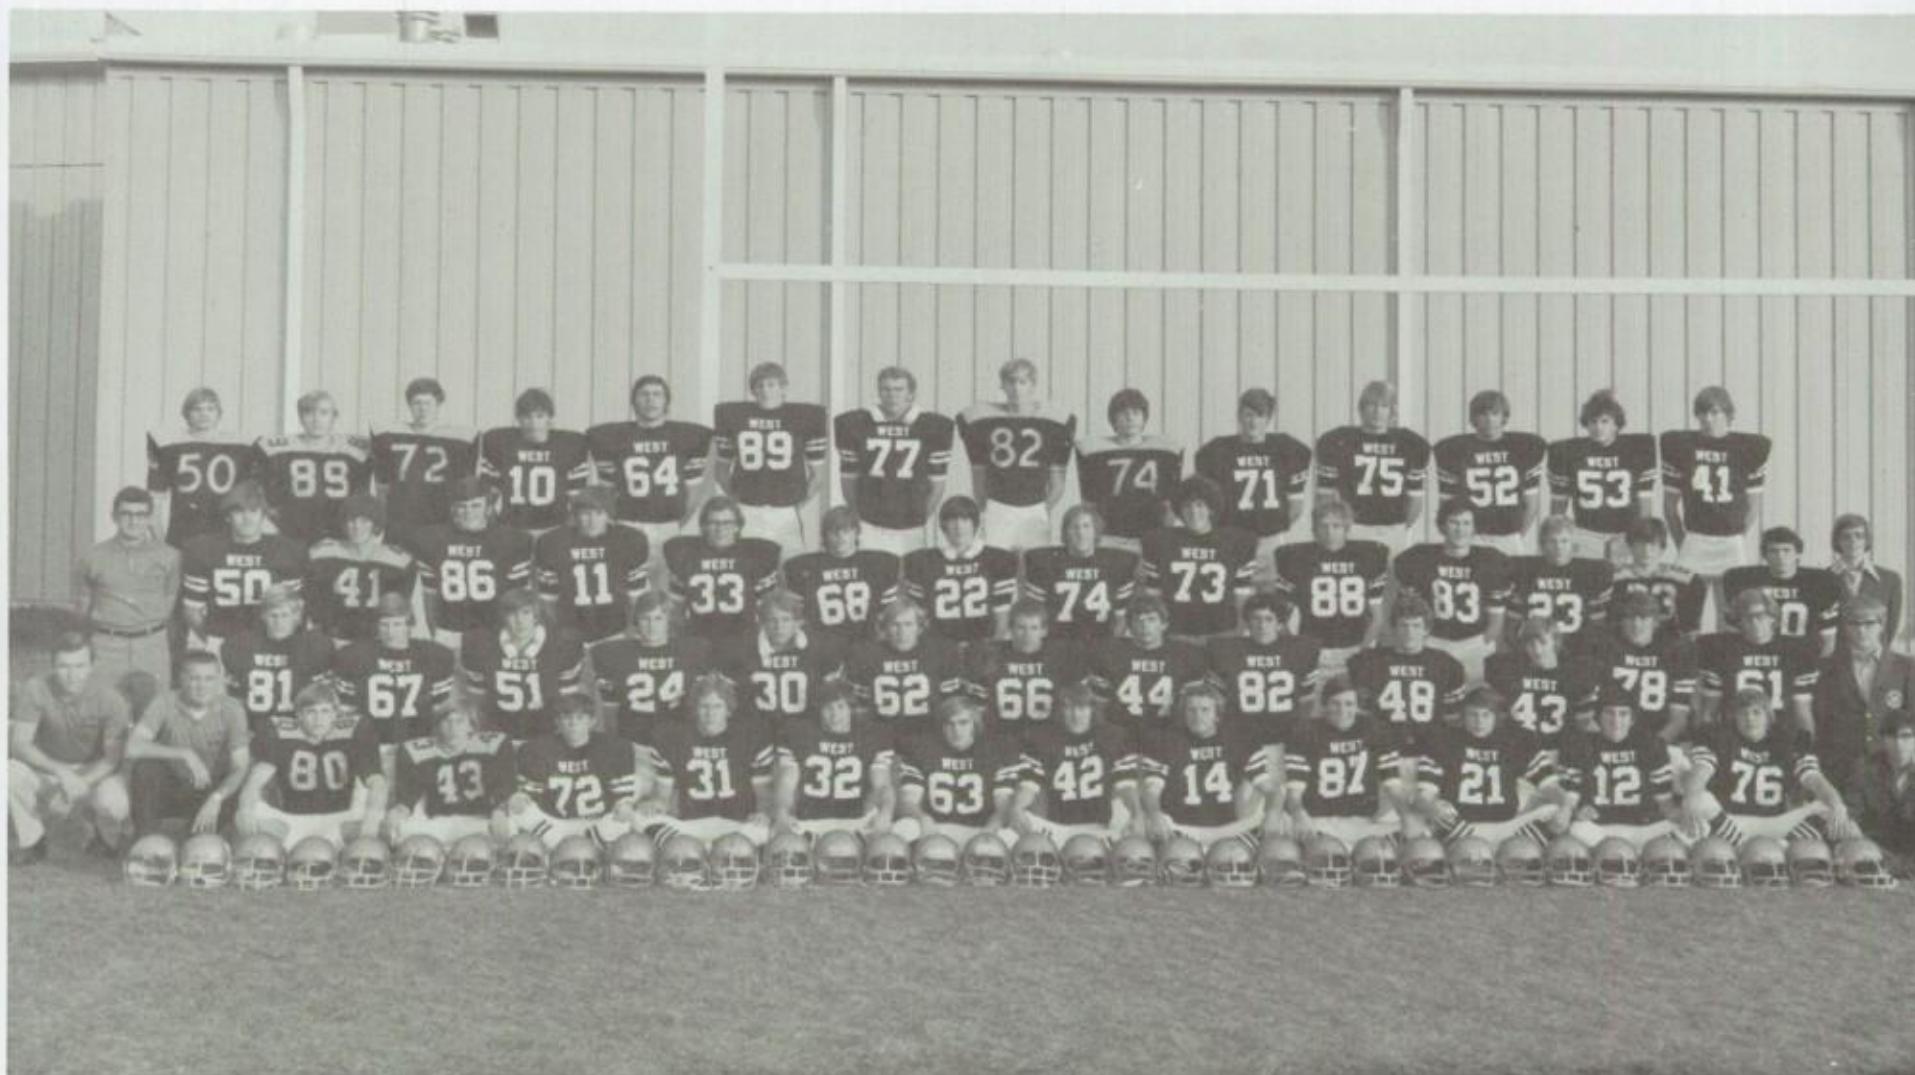

The J.V.'s compiled a three and four record and the Cubs a 4-4-1 record at the end of their seasons. The overall season for the J.V.'s and Cubs was a tough one, and it will be a hard job to fill the shoes of their predecessors.

Spence, I'm not

am. Of course, you

war game. Have a good

SWEAT HOGS

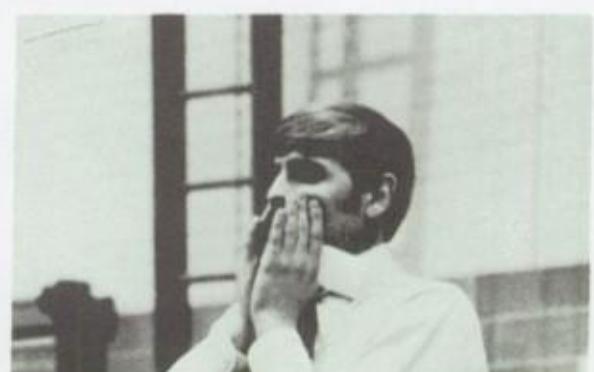

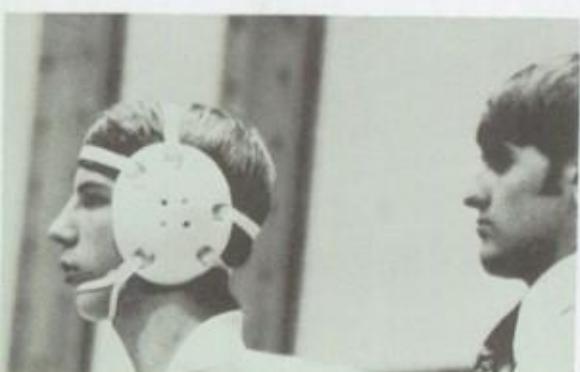

West's grappers compiled a fine season's record, 12-4, and were in contention for the state title as the WESTWARD went to press. Tournament-wise, West began with a first place in Powell and two weeks later finished second in the Billings Christmas Tournament, losing only to the tough Havre Blue Ponies. West kept up the tradition of defeating Senior in both dual meets. Some standouts for the Bears were Stan Sevarin, Dan Manni, Vern DiLulo, Kevin Miller, and Seth Weston. Some fine, upcoming sophomores are Donny Maxwell and Dennis Small.

THE REST OF 'EM

The 1974 Boys Varsity Gymnastic team was a strong team this year, having six seniors and three juniors on the squad. At the Billings Invitational, the team captured first place by defeating Senior and ten other teams. When Divisionals came, West took second, beaten out of first by less than three points. Some top contenders on the team for state championship were: Curt Nagashima, all around, Curt Barrett, who worked five events, Rich Marble on rings, Mark Koch on side horse, and Jim Knudson on floor exercise.

The Junior Varsity has their work cut out for them next year because there will be only three returning lettermen. Their hopes are high, however, because of several promising team members such as Galen Quarrels and Dennis Kelleher.

BASKETBALL

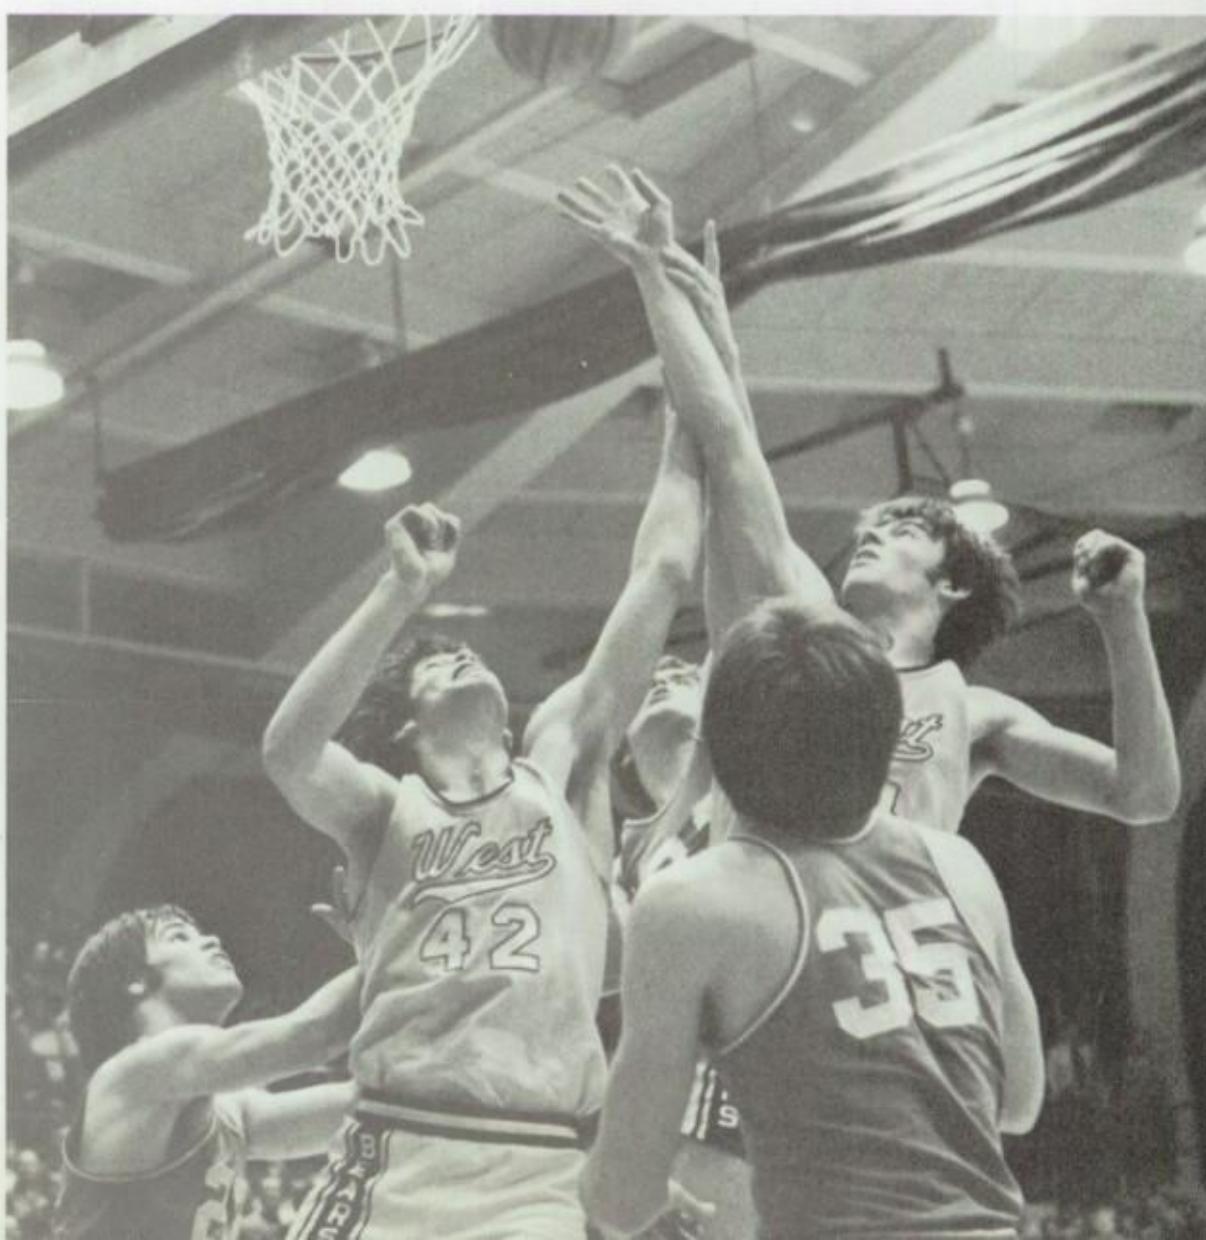

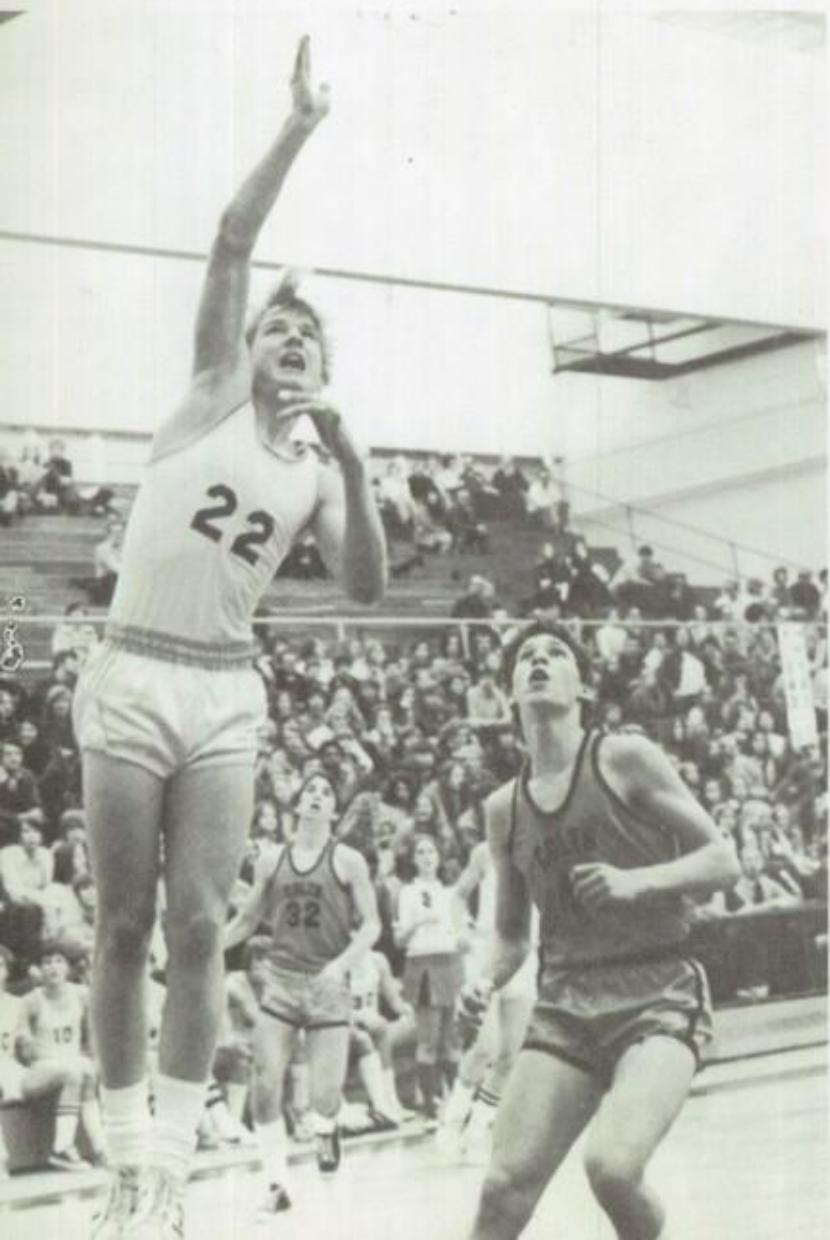

THE PUNKIN POUNDERS

The West High Golden Bears exploded to an 12-0 conference record that earned them the number one rating in the Class AA Eastern Division. The Bears' only losses came from Anaconda and Missoula Sentinel in non-conference play. The two victories over cross-town rival Billings Senior highlighted the great season. Runnerup to the Bears were the Great Falls Bison. Congratulations are in order to Coach Toby Kangas for a most impressive season. Both the JV's and the Cubs finished the season with a 12-7 record. Good job!

TEACHERS

The Teacher

Lord, who am I to teach the way
To little children day by day,
So prone myself to go astray?

I teach them knowledge, but I know
How faint they flicker and how low
The candles of my knowledge glow.

I teach them power to will and do,
But only now to learn anew
My own great weakness thru and thru.

I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.

Lord, if their guide I still must be,
Oh, let the little children see
The teacher leaning hard to Thee.

— Leslie Pinckney Hill

It doesn't matter
who you love
or how you love
but that you love.

For in the end
the act of loving any man
is the act of loving God.

The good in men

and loving is a contribution

WINTER SPORTS STATE CHAMPS

Floor Ex. champ, Julie Peden, helped lead the 1974 Girls Gymnastic team to the State title

Pictured are Dan Manni and Vern Dilulo, State champs, with the 1974 State Wrestling champions.

For further coverage, consult the 1974 Westward Supplement to be distributed in September, 1974.

For the first time in eleven years Toby's Golden Bears brought home a state championship, with the help of All-Staters John Lenander and Scott Keller. The student body, pep band and majorettes helped contribute to this fine victory. Subsequently, Coach Toby Kangas was awarded the Montana Basketball Coach of the Year Award.

. . . Like Columbus in the olden days
we must gather all our courage —
sail our ships out on the open sea
cast away our fears and all our years
that come and go pick us up, always up
So I want to laugh while the laughing is easy
I want to cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
You make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you.
